

SJAFB Family Child Care

**seeks military affiliated spouses
who live off-base to become affiliated providers**

Interested applicants must have a current State of North Carolina Family Child Care license.

Our program offers free CPR/First Aid certification and training in the following: Special Needs and Child Abuse, as well as specialized training in Early Childhood

Our Lending Library may provide materials for infant, toddler, preschool, before and after school programs.

To learn more about becoming an affiliated FCC provider, visit us at 1310 Andrews Street, SJAFB (inside the Community Center) or call 722-0329.

This program accepts children, employment of staff and approval of providers with chronic health problems including HIV positive individuals.

Child care provided in unlicensed homes over 10 hours a week is illegal care.
